SIGNING INTO ADOBE CC 2019

We’ve made some changes! In order to use Adobe applications on our computers, you’ll need to sign in with your UNT email. Open your Adobe application of choice, and follow the steps below.

01. When you launch an Adobe application, you’ll be greeted with this screen.

02. Type in your student UNT email address and click on the “Password” input box.

03. Choose “Enterprise ID.”

04. Type in your EUID and password.

05. Be sure to check the “Don’t Remember Login” Box!

SIGNING OUT OF ADOBE CC 2019

Unless you sign out properly, your credentials stay logged in, putting your personal information at risk of being shared with other users. **To keep your account safe, be sure to sign out!**

06. Sign out. On the top menu bar of any Adobe application, select Help, then choose “Sign Out” from the dropdown menu.

07. Be sure to click “Sign Out” on the following pop-up window, as well. This is very important, otherwise your information stays logged in!

08. Alternatively, you can either shut down or restart the computer to sign out.
